

# Print Anywhere

Print, copy and scan at  
Arizona State University

## Windows Driver Printing

Print from your personal computer to any Print Anywhere device

### Step 1: Download the print driver package

- Visit [print.asu.edu/print-anywhere/laptop-printing](http://print.asu.edu/print-anywhere/laptop-printing)
- Download a driver based on your location
  - Tempe campus
  - Downtown Phoenix, Polytechnic and West campuses
- Choose either the 32-bit or 64-bit Windows installer depending on your computer

### Step 2: Install the print driver package

- Locate the downloaded file and double click
- If you receive a security warning, select Run or Allow
- Click Install and then Finish
- Two Print Anywhere printers have been installed on your computer

### Step 3: Print using the Pharos pop-up

The Print Anywhere printers print with a pop-up window. Enter your ASURITE ID to connect your My ASU account. Ensure you are connected to ASU Wi-Fi when printing.

- Print to one of the ASU Print Anywhere printers
  - Print black and white | Select ASU Print Anywhere BW
  - Print color | Select ASU Print Anywhere Color
- A pop-up window appears
- Enter your ASURITE ID and press Print
- Swipe your ASU ID to receive your print job
